Dear Daniel,

Chalmers Road School in Strathfield recently hosted a fundraising event, Comedy for a Cause, at Club Burwood. This was a successful event, which raised \$8077 towards the continuation of the highly engaging music program for our students in 2016.

Your support for the school through the donation of the iPad, which was the second prize in the raffle, was greatly appreciated. Thank you to your team members who joined us at the event to support the school.

Our students have moderate and severe intellectual disabilities. Most students have additional needs such as autism, physical and sensory disabilities and challenging behaviours. The music program is offered each week and provides a wonderful opportunity for our students to enjoy songs, play percussion instruments, sing and dance.

Thank you on behalf of our school community for your outstanding support to our school.

Yours sincerely
